## PRE-APPROVAL OF AUDIT, AUDIT-RELATED, TAX AND PERMISSIBLE NON-AUDIT SERVICES

### GENERAL PURPOSE

To provide procedures for MPLX LP (the “Partnership,” and together with its subsidiaries, the “Partnership Group”) to comply with Section 202 of the Sarbanes-Oxley Act of 2002 (“SOX”) regarding pre-approval of all audit, audit-related, tax and permissible non-audit services provided by the Partnership’s independent auditor.

### POLICY STATEMENT

In accordance with Section 202 of the Sarbanes-Oxley Act of 2002, all audit, audit-related, tax and permissible non-audit services to be provided to the Partnership by its independent auditor, except as noted under the de minimis exception established in this Policy, require prior approval by the Audit Committee of the Board of Directors of MPLX GP LLC (the “Audit Committee”) before the commencement of such services. The following procedures will be followed for obtaining prior approval of all audit, audit-related, tax and permissible non-audit services. Appendices to this Policy describe the audit (Appendix A), audit-related (Appendix B), tax (Appendix C) and permissible non-audit (Appendix D) services that require prior approval by the Audit Committee.

#### Procedures

1. The Audit Committee may approve any audit, audit-related, tax and permissible non-audit services up to twelve months in advance for the ensuing year.
2. The Audit Committee may approve in advance services by specific categories pursuant to a forecasted budget.
3. In April of each year, the Executive Vice President and Chief Financial Officer of the General Partner shall present a forecast of audit, audit-related, tax and permissible non-audit services for the ensuing year to the Audit Committee for approval in advance. Throughout the remainder of the year on an “as needed” basis, the Executive Vice President and Chief Financial Officer of the General Partner shall, in coordination with the independent auditor, provide an updated budget of audit, audit-related, tax and permissible non-audit services to the Audit Committee.
4. **Audit Services.**
  - a. The annual audit services engagement terms and fees will be subject to the specific prior approval of the Audit Committee. The Audit Committee will approve in advance, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Partnership structure or other matters.
  - b. The Audit Committee will consider and approve as a whole the audit services listed in Appendix A. All audit services not listed on Appendix A must be separately approved in advance by the Audit Committee.

---

5. **Audit-Related Services.** Audit-related services are services reasonably related to the performance of the audit or review of the Partnership's financial statements and that are traditionally performed by the independent auditor. The Audit Committee believes that the performance of audit-related services does not impair the independence of the auditor and has expressly approved the audit-related services listed in Appendix B. All other audit-related services not listed on Appendix B must be separately approved in advance by the Audit Committee.

6. **Tax Services.** Tax services include services such as tax compliance, tax planning and tax advice. The Audit Committee believes that the performance of tax services does not impair the independence of the auditor and shall pre-approve the tax services listed in Appendix C. All tax services not listed on Appendix C must be separately approved in advance by the Audit Committee.

7. **Permissible Non-Audit Services.** Permissible non-audit services are all other services that are not prohibited services as set forth in Appendix E hereto. The Audit Committee believes that the performance of permissible non-audit services does not impair the independence of the auditor and shall pre-approve the services listed in Appendix D. All permissible non-audit services not listed on Appendix D must be separately approved in advance by the Audit Committee.

8. **De Minimis Exception.** The requirement for prior approval of permissible non-audit services provided above is waived, provided the following criteria are satisfied as determined by the Executive Vice President and Chief Financial Officer of the General Partner or the Vice President and Controller of the General Partner:

- a. the aggregate amount of all such services provided to the Partnership constitutes not more than five percent of the total amount of consideration paid by the Partnership to the independent auditor during the fiscal year in which the permissible non-audit services are provided;
- b. at the time of engagement with the independent auditor such services were not included by the Partnership as non-audit services; and
- c. such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee or by one or more designated members of the Audit Committee to whom authority to grant such approvals has been delegated by the Audit Committee.

Notwithstanding this de minimis exception, it is the intent of the Audit Committee to approve in advance all non-audit services.

9. **Delegation.**

- a. The Audit Committee may delegate to one or more designated members of the Audit Committee, the authority to grant approvals required herein. The decisions of any member to whom authority is delegated to pre-approve an activity hereunder shall be presented to the full Audit Committee at each of its scheduled meetings.

---

b. Pursuant to the above authority, the Audit Committee has delegated pre-approval authority of up to \$250,000 to the Chair of the Audit Committee for unbudgeted items. The Chair shall report the items pre-approved under this delegation of authority at the next scheduled Audit Committee meeting.

c. The Audit Committee has not delegated to the management of MPLX GP LLC (the “General Partner”) any of its responsibilities to approve services performed by the independent auditor for the Partnership.

10. **Supporting Documentation.** When requested by the Audit Committee, the independent auditor shall provide detailed supporting documentation for each service provided hereunder.
